

Workshop

Resource Competition, Research Assessment and Institutional Affiliations in Academia

This workshop looks at new and ongoing research in the economics of science. Limited to a group of 30 scholars we will hear about latest findings and allow for plenty of discussion. The workshop will provide a wonderful opportunity to draw our community closer together in a beautiful setting.

Workshop Hosts

Hanna Hottenrott, TUM School of Management, Technische Universität München, Germany

Cornelia Lawson, University of Bath School of Management, UK

Sotaro Shibayama, School of Economics and Management, Lund University, Sweden, and Science Technology Innovation Governance (STIG) Program, University of Tokyo, Japan

Workshop Information

Begin Thursday, 28th of September 2017, 9:30 pm

[Arrival Wednesday evening (27th), joint dinner at 08:00 pm]

End Friday, 29th of September, 2017, 13:15 pm

Venue Akademiezentrum Raitenhaslach, Technische Universität München (TUM)

Raitenhaslach 11, 84489 Burghausen, www.raitenhaslach.tum.de, +49 (89) 289 26600

This workshop is organised as part of the project "Resources, Research Assessment, and Institutional Affiliations in Academia" funded by the German Science Foundation (DFG - HO5390/1-1) and the Japan Society for the Promotion of Science (JSPS - PE15033).
